

RIDING HELMET WAIVER

I the undersigned acknowledge that there are dangers inherent with horseback riding including being thrown to the ground. I am assuming this and other hazards upon myself since I wish to ride. I realize I am subject to injury from this activity and that no form of pre-planning can remove all dangers to which I am exposing myself. I have chosen to ride without a protective helmet, which could prevent permanent brain damage in the even of an accident. Even considering my own knowledge of the medical statistics relating to horse related injuries I am refusing this critical safety precaution.
